

Letter from the Director

Greetings! The library has experienced some changes which have resulted in the need to temporarily reduce our hours. We are hoping this will only be for a short time and will continue to do our best to provide the services the community needs!

The Library is starting a Friends of the Library committee. The "Friends" is an independent committee that works with the Library Director and staff to assist with programming, fund raising and overall promotion of the library! The "Friends" are looking for people to bring fresh ideas for ways to make the library great! If interested, please contact the library to submit an application! We are excited to begin this adventure!

Our next large event will be the Halloween Trunk or Treat on October 30, 2021
