

Letter from the Director

We are back open to the public! We are so happy to welcome patrons back to the Library! Our Santa event was a huge success and we are thankful for all of the sponsors and helpers we had for this event. While we were closed to patrons for the month of January, we were happy to do our part to keep the community safe by hosting weekly COVID clinics including testing and vaccinations. We will be continuing this in February as well.

Happy Black History Month! The month of February is a busy month for celebrations at the Library! We will have activities and crafts for Love your Library month, Valentine's Day and Black History Month. Stop in the Library today to fill out a "Why I Love My Library" card for your chance to win a prize! We have have many Black History Month displays that are both educational and fun! Also, we have lots of crafts and online activities happening this month so please check them out!
